'Think Spring' 2011 Newsletter

Good afternoon!! Where does the time go? I think the last most of you heard from me was to let you know about the Quilt Show last year. Well, I am back. Just got word that we've obtained special 6 yard bolts of Kona Bay Fabrics at an incredible price. 6 yard bolts of **Kona Bay Fabrics** are being sold at a super price of only **\$6 per yard**—normal \$9-\$10 per yard. To get your hands on these beautiful fabrics at great prices visit www.konabaygifts.com and go to the six yard bolts section. Be sure to use the coupon code 2414 when you check out to get your FREE bonus gift.

[Belleville Area Council for the Arts](http://bellevilleartscouncil.org) has many nice events coming up that you won't want to miss. Most of the events are free no admission. Check out the website at bellevilleartscouncil.org.

Notice the [Bunny Contest on Main](#) as well as the [Easter Bonnet Contest](#). Fun!!

We are offering the [Community Art Show](#) again. It is open to children from age 6 through adults again with nice prizes-April 29 and 30 at St. Anthony's facility.

There is a [Quilt Show](#) in the works scheduled to be held at Wayne County Fairgrounds September 10, and September 11. Lots of inside room and good lighting for quilts and vendors. Again, quilters will be allowed to do the "yard sale" vending-stuff from your stash. Hope to have some quality crafts people involved as well as some quilts shops. Details are being worked out at this time. Want more info, let me know. There will be a horse show in the arena, a good distance

from the Quilt Show area on Sunday the 11th. So, I wonder how appropriate the theme of the Quilt Show would be if we peg it "Horsing Around at the Quilt Show"? (Vendors, please take a hint, the horse people LOVE things horse related). I realized the other day how old I'm getting when rules don't matter to me anymore. Remember how it was when the kids were little and this and that had to be done just so and timely? I just don't want stress and do want everyone to enjoy their walk on this earth and enjoy!! Therefore, there will not be many rules. You've heard or read the poem, "When I am old I shall wear Purple". I would like to ask for items for the silent auction again, as well as participation in the Block Contest. I have to brag-I have the best customers in the whole world.

Have a few people asking for [classes](#) and have been offering them on an as "asked for basis". That is working out very well it seems for everyone. No stress! They are getting the subject taught when they want it at a minimal cost of \$5 per hour. Isn't that just grand? Is there anyone expert in a new process or technique you want teach? Let me know.

I heard lot of birds chirping and singing early this morning. Spring is not far off. Please have a good day. [Hope to see you soon.](#)

Kay Atkins
